“JUICE”

Juice is my little spitfire! From the time she was a puppy, she displayed a lot of confidence. Everything she does is at warp speed. She is loaded with personality and is quick to engage you. She loves to work and is extremely biddable. I love the fact that she is very versatile dog and has no problem switching gears between venues. We compete in agility, field, obedience, rally and scentwork. She is equally enthusiastic in all venues and gives 100% in everything she does. She is one of the happiest dogs I've ever owned and my first one that smiles. She is a great house dog and has an off switch but is ready to go at a moment's notice.

Juice measures 19 ½” at the withers and weighs 42 lbs. She is very athletic and extremely coordinated. She earned her first title which was the Trick Dog Novice at 10 weeks old. She is a quick study and takes correction well. She is very flashy in everything she does and catches a lot of attention.
